

We Mourn the Loss of a Legend

It is with profound sorrow that we announce the passing of a true legend, our founder and dear friend, Phil Hendrix.

Phil's dedication and relentless pursuit of excellence established a remarkable standard in the maintenance industry. His influence transcends the company he built; it encompasses the countless lives he touched through his commitment to quality, his exceptional mentoring abilities, and his willingness to impart his extensive knowledge in precision maintenance.

Phil inspired so many throughout his lengthy career in industrial maintenance, and his philosophy of "Do it Once, Do it Right" has been embraced and practiced by many. While he was passionate about his work, Phil was equally devoted to his family. He shared over 50 wonderful years with his beloved wife, Wilda. Their three wonderful daughters and their families brought immense joy to both Phil and Wilda. He cherished time spent with family at home or at his hunting cabin, another of his passions, where when he did take time to relax, he enjoyed scouting and hunting.

Phil's spirit will forever remain a part of our team, encouraging us to continue his legacy with the same passion and integrity he exemplified in both work and family. We extend our heartfelt condolences to Phil's family and loved ones, keeping them in our thoughts and prayers
